

Mopex Consulting Ltd

Mopex Interim Leadership – Service Packages & Pricing

Below are three professionally structured packages tailored for different organisational needs.

They progress logically from stabilisation → transformation → strategic leadership.

PACKAGE 1: STABILISE

“Immediate leadership and operational continuity.”

Ideal for:

- Sudden leadership gaps
- Audit findings requiring quick corrective action
- Short-term operational risk or compliance issues
- Organisations needing steady hands during transitions

What’s included:

- Rapid 5-day assessment using Mopex diagnostic tools & dashboards
- Interim leadership deployment (Operations, QMS, H&S, PMO)
- Quick-win identification using LEAN & DMAIC methods
- Weekly stability reporting (KPIs, compliance checks)
- Documentation and SOP alignment using Mopex frameworks

Deliverables:

- 30-day stabilisation plan
- Updated KPIs & analytics dashboard
- Immediate risk and compliance remediation actions

Pricing:

£550–£750/day

(Projected 1–3 month engagement)

 **PACKAGE 2: TRANSFORM**

“Structured, data-driven improvement using Mopex operational excellence frameworks.”

Ideal for:

- Organisations needing measurable improvements
- Underperforming operations
- QMS rebuilds, ISO readiness, H&S systems upgrades
- PMO/Transformation leadership for medium-scale change

What’s included:

- Full diagnostic using LEAN, DMAIC, QMS, H&S, PMO frameworks
- Root-cause analysis, workflow mapping, and process optimisation
- KPI and dashboard deployment (drawn from Mopex analytics tools)
- PMO structure implementation for governance & control
- Training & capability uplift for internal teams
- Weekly performance improvement cycles (DMAIC/LEAN cadence)

Deliverables:

- 90-day Transformation Roadmap
- New or upgraded QMS/H&S/PMO systems
- Mopex-aligned dashboards and reporting packs
- Documented process improvements and savings summary

Pricing:

£750–£950/day

(Projected 3–6 month engagement)

 **PACKAGE 3: ACCELERATE**

“Executive-level interim leadership driving enterprise-wide operational excellence.”

Ideal for:

- Transformations requiring senior accountability
- Multi-site or multi-function operational challenges
- Organisations scaling or restructuring
- C-suite needing measurable, strategic operational leadership

What’s included:

- Senior Interim leader (Ops Director / Head of OE / Head of Quality)
- Enterprise-level operating model review
- Strategic KPI architecture and performance dashboards
- End-to-end transformation using LEAN, DMAIC, PMO, QMS, H&S
- Governance frameworks and leadership coaching
- Board reporting and risk oversight
- Capability handover for sustainable long-term improvement

Deliverables:

- 6–12 month Strategic Transformation Plan
- Leadership governance pack (KPIs, dashboards, operating rhythm)
- Full Mopex Knowledge Transfer Program
- Documented ROI and operational uplift report

Pricing:

£950–£1,200/day

(Projected 6–12 month engagement)

 **Optional Add-Ons (Available for All Packages)**

Add-On	Description	Typical Fee
